

MISSIONS ANGLICANES AFRIQUE

Equipping, Empowering, Releasing

ANNUAL REPORT 2022

VISION

Nurture a healthy and sustainable church in Africa and beyond

MISSION

To Equip, Empower and release christian leaders as agents of spiritual and social change in the society

CORE MANDATE

- **To accompany the church in Africa in exploring practical missionary strategies to unlock potential for the accelerated church growth.**
- **We are committed to training and mobilization of the church leaders at the grassroot level; clergy, evangelists and lay church workers with a calling and passion to serve the church.**
- **We offer authentic verifiable and formal capacity building courses rooted in practical missions that build a healthy church in Africa and beyond.**

MESSAGE FROM THE BOARD CHAIR OF AMA

The Rt. Rev. Francis Mboya

Dear friends,

Trinity greetings from Missions Anglicanes Afrique.

On behalf of the Board of Directors and our partners, I take this opportunity to express gratitude for what God is doing through Missions Anglicanes Afrique (Anglican Missions Africa AMA).

We have experienced tremendous growth in the past three years of AMA's existence. We are now operating in nine countries across Africa and with greater potential to expand to other countries. This is because of AMA's

ability to discern and realign its vision and mission to the demanding needs for relevance of God's mission in a fast changing Africa today. We are glad that a number of Archbishops and Bishops from Africa have embraced and created enabling environment for AMA to thrive. This is a clear sign that indeed AMA is ministry born at a time when the church in Africa was yearning for revival and renewal.

Through AMA's clear focus on primary evangelism and in partnership with Anglican Provinces, a number of ministry programs have emerged. First is the reactivation of aggressive evangelism through planning of Mega Missions attracting Evangelists from across Kenya and Uganda. It is our prayer that this movement will eventually sweep across Africa to the glory of God. Second, the key outcome of AMA is emphasis on Church planting that has motivated many Dioceses to venture in Church planting movement across the continent. The third is the formation of discipleship teams that is now becoming a DNA of Anglican ministry in many Dioceses where AMA is presently working. As the chair of the Board, I recognize that this has been accomplished through your prayers, encouragement and support.

I want to invite you to consider being part of AMA, all of us moving in the same direction of strengthening the present local congregations and pioneering new ones on the mission frontline and within our neighborhoods.

God bless you and the continent of Africa.

The Rt. Rev. Francis M. Matui
Chair Board of Directors
Missions Anglicanes Afrique

MESSAGE FROM THE EXECUTIVE DIRECTOR OF AMA

Dear Friends,

Greetings from Missions Anglicanes Afrique (Anglican Missions Africa AMA).

It is our hope and trust that God the author and finisher of our faith has been gracious to you for the past one year. Allow me to share with you ministry progress at AMA for the past year 2022.

Vision and Mission: AMA has remained faithful to its vision and mission: To nurture a healthy and sustainable Church in Africa and beyond through equipping, empowering and releasing of Christian leaders as agents of both spiritual and social change in society. Over the last one year, we have grown stronger and more convinced that we are on the right side of history as far as missionary work in Africa is concerned.

Theme for the year 2022 was Equip for God's service drawn from Ephesians 4: 11-16. By end of the year we had mobilized and trained over 3000 church workers in Africa.

Our task: The main task for AMA is to work with all Bishops in Africa to reactivate the ministry of Evangelism, Discipleship and Church planting. For the past one year, we have worked with Dioceses in Kenya, Mozambique, Tanzania and Rwanda. We trained 2, 186 church workers, championing four mega missions; two in Tanzania and two in Kenya. We gave away nine tents of 100 seater to facilitate church planting and championed 15 new church plans.

Our growth plan: Our goal is to see very Diocese in Africa become a lead champion in missionary work, translating every church member into effective local evangelist. We want to see every local church active in mission, winning more people from communities to church and translating them into Disciples of Christ.

Our strategy: The strategy is anchored on five key programs:

1. **Healthy church training course:** A practical missionary course that unlocks potential for accelerated church growth.
2. **Urban orientation course:** The urban course orients clergy and urban church workers for effective and contemporary urban ministry in cities, towns and emerging markets.
3. **School outreach and discipleship ministry:** The course targets young professionals in Dioceses and orients them with knowledge and skills of how to effectively evangelize and disciples teenagers in schools.
4. **Women ministry:** Training of all women leaders at the local church level and commissioning them to become local missionaries and disciple makers among their own people.
5. **Mega missions:** Mobilization of both clergy and laity into massive evangelism within a diocese.

You are welcome to read and celebrate with us God's faithfulness in the past year.

The Rev. Canon Captain Richard W. Mayabi

Executive Director: Missions Anglicanes Africa.

The Rev. Canon Capt. Richard Mayabi

The Rt. Rev. Robert Magina

MESSAGE FROM BISHOP ROBERT MAGINA OF NAMBALE DIOCESE ANGLICAN CHURCH OF KENYA

Greetings to the church of Jesus Christ and AMA family.

I take this opportunity to thank God for connecting us with AMA through the Rev. Canon Captain Richard W. Mayabi. I have known the Rev. Canon Richard Mayabi from the time he was working as the General

Secretary of Church Army Africa.

We are delighted to partner with Rev. Canon Richard, now through Missions Anglicans Afrique (Anglican Missions Africa- AMA). Through our partnership with AMA a number of key missionary activities have been accomplished. We have held several Healthy church capacity building trainings among both the clergy and the laity.

The training culminated with a mega mission that was organized through the Anglican Province of Kenya on 26th -30th November, 2022 where AMA mobilized over two thousand evangelists who evangelized Nambale Diocese that constitutes the whole of Busia County { excluding North and South Teso) including part of Bungoma and Siaya Counties. 22, 407 homes were evangelized, 2816 people got saved, 977 Anglicans who had backslidden returned to Church, 904 new members joined Anglican Church, 503 people were baptized and 8 new areas identified for church planting. We Anglicans of Nambale Diocese recognize the significance role of AMA in enabling this to take place.

The partnership with AMA is quite timely and strategic for the church in Africa. Nambale Diocese is in a trajectory for renewal and revival, and I therefore encourage my brother and sister Bishops across Africa to open doors for AMA programmes in their respective Dioceses.

Message from

The Rt. Rev. Dr. Robert Magina
Nambale Diocese: Kenya

Igreja Anglicana em Mocambique e Angola (IAIVLA)

Diocese of Zambezia

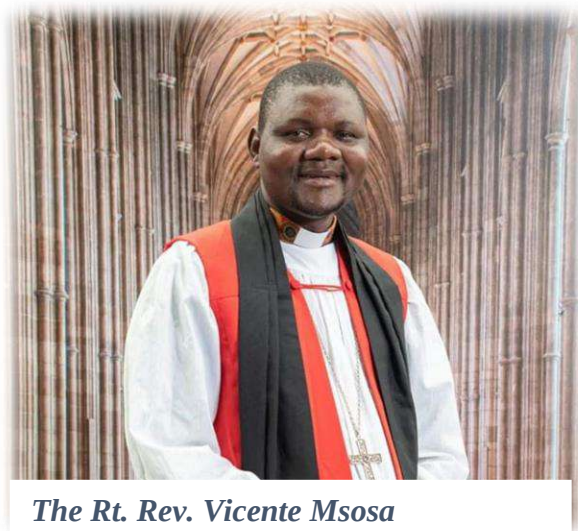

MESSAGE FROM BISHOP VICENTE MSOSA OF ZAMBEZIA DIOCESE MOZAMBIQUE

Greetings to the church of Jesus Christ and AMA family.

I take this opportunity to thank God for connecting us with AMA through the Rev. Canon Captain Richard W. Mayabi. I got to know Rev. Canon Richard through Council of Anglican Provinces of Africa (CAPA) where he was working as the Director in charge of Capacity building for Bishops and church workers in general.

We are delighted to partner with R. Canon Richard now through Missions Anglicans Afrique (Anglican Missions Africa AMA). Since AMA was introduced in Mozambique, the church has experienced tremendous growth beyond our imagination. Over two hundred churches have been planted across Mozambique with two Dioceses being created; Tete and Zambezia. Through Healthy church training program, both clergy and lay church workers have been trained and empowered to serve as local missionaries among their own people.

The multiplication aspect of the training has increased the manpower on the ground, enabling the planting new churches and multiply the membership. AMA is not only working in Mozambique but in other nine countries across Africa. This is a clear sign that God has called AMA to accompany Bishops in Africa at a time when so much changes are taking place the world. The partnership with AMA is quite timely and strategic for the church in Africa. I encourage many other Bishops to open doors for AMA in their Dioceses.

The Rt. Rev. Vicente Msosa

Message from

The Rt. Rev. Vicente Msosa

Zambezia Diocese: Mozambique

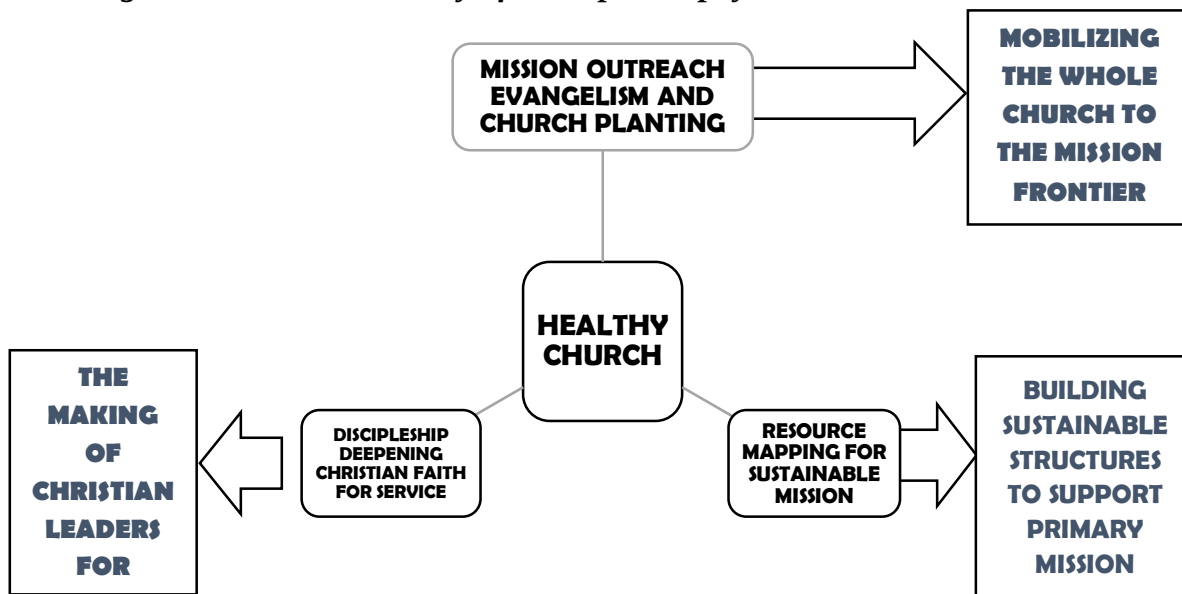

Philosophy: Building a healthy church

The philosophy of A.M. A presupposes that:

- If the Church leadership (*The ordained*) in Africa re-examines herself-understanding and intentionally invests her resources towards fulfilling God's mission by training and mentoring local church leadership (*The Laity*).
- Then it will cause spiritual, socio-economic and political transformation. (*Stewardship*).
- The strategy is anchored on the understanding that the Church the People of God, are central to the realization of God's purposes in the world, and as His instrument, have the responsibility of presenting Christ to the world through their lives and actions in ways that portray Christ as the only viable option. (*Discipleship*).
- It is in this breath that Equipping of Church Leaders (*The laity*) at the local church level becomes foundational and appropriate vehicle for mobilizing communities in Africa to reflect God's kingdom values; experiencing church growth, peace, tranquility and harmony in every village and community in Africa.
- The core objective is to raise well trained and equipped (*men and women, both clergy and lay leaders*) rooted in the theology and practice of Healthy Church across Africa seeking to impact all centers of influence in society.

The Diagram below is a summary of AMA philosophy

ADMINISTRATIVE MATTERS FOR 2022.

a) Legality

- Missions Anglicanes Afrique is a registered Company Limited by Guarantee in Kenya under registrar of Companies Acts 2015. Registration Number CLG-G9FMDM 2015. This is a major milestone towards enabling AMA operate as a legal entity able to relate and transact with clear accountability to both Church and state.
- AMAs governed by a Board of Directors and two Committees; Finance and General Purpose Committee (F&GP) and missions and Resource Mobilization Committee (MRMC) that oversee the strategic plan.

b) Assessment by African Council for Accreditation and Accountability (AFCAA) – AMA has invited AFCAA to assess the organization for accreditation and to guide the organization meet the standards required.

We are working with African Council for Accreditation and Accountability (AFCAA) to enhance governance systems and structures of AMA.

We have already done a Number of Policy Documents as advised by AFCAA. The process would begin in 2023.

c) AMA Website Creation – AMA has taken a big stride in terms of communication by developing her official website which is active. The site can be reached through www.missionsanglicanesafrique.org

d) AMA Audit – It's essential for every firm to be audited for transparency and accountability and thus AMA has tasked Asteric Audit Services to Audit the 2022 Financials. The report is expected early 2023.

e) Growth and Management- AMA is continuously experiencing growth that also causing the stretch of the available human resource. In September AMA recruited another staff named Melvin Nafula Wakhungu and in December 2022 she was replaced by Silvia Chepkoech to be in charge of communication and IT department. This makes the management team to constitute 4 staffs.

Strategic Plan - Management has worked on the Strategic Plan for the year 2022 -2027 that guides the organizations` activities

Dancan Baraka
Missions Coordinator- AMA

MISSIONS' DESK

The heartbeat of the Ministry of AMA is its programs and the impact therein. I wish to thank God for the milestone in the implementation of the different programs. It is in this regard that I welcome you to celebrate the accomplishments so far from January through December 2022.

**MISSIONS ANGLICANES AFRIQUE LIMITED
ANNUAL REPORTS AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st DECEMBER 2022**

STATEMENT OF DIRECTORS RESPONSIBILITIES

The Kenyan Companies Act requires the board of directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the organisation as at the end of the financial year and of the surplus or deficit for that year. It also requires the management board to ensure that the organisation maintains proper accounting records that are sufficient to show and explain the transactions of the organisation; and that disclose, with reasonable accuracy, the financial position of the organisation and that enable them to prepare financial statements of the organisation that comply with [the International Financial Reporting Standard for Small and Medium Sized Entities / the organisation's accounting policies set out on pages 11 to 30. The management board is also responsible for safeguarding the assets of the organisation and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Management Committee accepts responsibility for the preparation and fair presentation of financial statements in accordance with International Financial Reporting Standard for Small and Medium Sized Entities and the organisation's accounting policies that are free from material misstatement whether due to fraud or error.

The board of directors also accepts responsibility for:

- i) Designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements;
- ii) Selecting and applying appropriate accounting policies; and
- iii) Making accounting estimates and judgements that are reasonable in the circumstances.

The board of directors is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the organisation as at 31st December 2022 and of its income and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Societies Act.

Nothing has come to the attention of the board of directors to indicate that the organisation will not remain a going concern for at least twelve months from the date of this statement.

Approved by the board of directors on 2023 and signed on its behalf by:

ASTERIC AUDIT SERVICES

We see the details

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF MISSIONS ANGLICANES AFRIQUE LIMITED

Opinion

We have audited the financial statements of Missions Anglicanes Afrique Limited set out on pages 8 to 16, which comprise the statement of financial position as at 31st December 2022, the statement of income and expenditure, the statement of cash flows for the year then ended and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the company's financial position as at 31 December 2022, and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the Company's Act, 2015.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How our audit addressed the key audit matters
Management of foreign currency	How the matter was addressed
Donations are of material significance to the company as it holds the highest amount of income for the organisation. Management of foreign currency is therefore key to the organisation. There is need to ensure that the organisation converts the foreign currency to local currency at the best possible rate. During the year under review, the organisation incurred currency exchange loss, this being the difference between the actual exchange rate and the prevailing exchange rate as at 31st Dec 2022.	We confirmed that donations in foreign currency are received into a dollar account. Conversion to the local currency is done on need basis.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF MISSIONS ANGLICANES AFRIQUE LIMITED

Other information

The directors are responsible for the other information. The other information comprises of the Chairman's report, Treasurer's report, and the Corporate governance statement which are attached in this report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this report of the independent auditor, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other reports expected to be made to us after date of report of the independent auditor, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of directors for the financial statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards and the requirements of the Companies Act, 2015, and for such internal controls as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the organisation's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless the directors either intend to liquidate the organisation or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's independent opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report of the independent auditor to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report of the independent auditor. However, future events or conditions may cause the organisation to cease to continue as a going concern.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF MISSIONS ANGLICANES AFRIQUE LIMITED

Auditor's responsibilities for the audit of the financial statements (continued)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the current period and are therefore the key audit matters. We describe these matters in our report of the independent auditor unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory Requirements

The Kenyan companies Act requires that we report the following matters:

- i. We have obtained all the information and explanations which, to the best of our knowledge and belief, were considered necessary for the purpose of our audit.
- ii. We are not aware of any irregularities or illegal acts that have been committed by the directors, employees or the organisation by itself and
- iii. We have no grounds to believe that the organisation is insolvent or that there is a significant risk that it may become insolvent.

ANNUAL REPORTS AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st DECEMBER 2022**

NOTES

1. GENERAL INFORMATION

Missions Andlicanes Afrique Limited is a not for profit making company and registered in Kenya under the companies Act, 2015. It's registered office and place of business is as shown in page 1.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention except as indicated otherwise below and are in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SMEs). The historical cost convention is generally based on the fair value of the consideration given in exchange of assets.

(b) Going Concern

Based on the financial performance and position of the organisation, the directors are of the opinion that the organisation is well placed to continue in operations for the foreseeable future and as a result the financial statements are prepared on a going concern basis.

(c) Functional and Presentation Currency

The financial statements are presented in Kenyan shillings. The organisation operates both Kenya shillings and Dollar account. For presentation of these financial statements, receipts and payments in dollars and also the closing balance of the Dollar account has been converted into Kshs. Except as otherwise indicated, financial information presented in Kenyan shillings (Ksh) has been rounded to the nearest shilling.

(d) Period of Reporting

The financial statements have been prepared for a period of 8 months as the company opened its own bank accounts in May. Before then, income was received through trust accounts and payments also made by them. The directors also do not have comparative figures since this is the company's first year of operations.

(e) Use of Estimates and Judgements

The preparation of financial statements in conformity with International Financial Reporting Standards requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Although these statements are based on the directors' best knowledge of current events and actions, actual results ultimately may differ from the estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

In particular, information about significant areas of estimation and critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in financial statements are described in Note 1.

The management has made the following assumptions that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

- Useful lives, depreciation methods and residual values of property, plant and equipment and intangible assets

Management reviews the useful lives, depreciation methods and residual values of the items of property, plant and equipment and intangible assets on a regular basis. During the financial year, the management determined no significant changes in the useful lives and residual values. The carrying amounts of property, plant and equipment are disclosed in notes 5.

**MISSIONS ANGLICANES AFRIQUE LIMITED
ANNUAL REPORTS AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st DECEMBER 2022**

NOTES (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(e) Use of Estimates and Judgements (continued)

- Grants receivable

Grants receivable comprise refundable expenditure on programs approved by donors. We do not have grants receivable as at the date of these financial statements.

- Impairment of non-financial assets

Impairment exists when the carrying amount of an asset or cash generating unit (CGU) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs of disposing of the asset. The value in use calculation is based on a discounted cash flow (DCF) model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the company is not yet committed to or significant future investments that will enhance the performance of the assets of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. The carrying amounts of property, plant and equipment are disclosed in notes 7.

- Pension benefits

The present value of the pension obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions will impact the carrying amount of pension obligations. The carrying amount of retirement benefit obligations is disclosed in note 6.

- Accounting for grants payable

The management have assessed whether or not to recognise a liability for grants payable. The management have sought guidance of Section 21 of IFRS for SME on provisions and contingencies in accounting for grants payable. The organisation recognises a grant payable where it enters into a formal grant contract and the disbursement of the funds fall outside the control of the organisation. The management also take into consideration probability of payment based on the historic trend on payment of grants payable. AS at the date of these financial statements, the organisation do not have any grants payable.

(f) Revolving fund reserve

Revolving fund reserve are funds appropriated from general reserve for specific designated purpose. These funds are held until the designated purpose is fulfilled and are only transferable back to the general reserve by the authority of management board. The organisation is yet to create a revolving fund

(g) Capital grants

These represent funds received for purchase of equipment or the value of such equipment that are granted to the organization. The initial amount is credited to a deferred income account known as capital grants. The grant balance is amortised to income annually at an amount equal to that of depreciating the assets purchased with the grants.

(h) Capital fund reserve

This represents unrestricted funds received for purchase of equipment and intangible assets with no conditions or future compliance. Where a capital grant has a condition or future compliance then the same is classified a non-current liability. The fund is appropriated from the general reserves and an amount equivalent to the depreciation or amortisation is released back to the general reserves.

**MISSIONS ANGLICANES AFRIQUE LIMITED
ANNUAL REPORTS AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31st DECEMBER 2022**

NOTES (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(i) Revenue recognition

Grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

When the organisation receives grants of non-monetary assets, the asset and the grant are recorded at the fair value of the non-monetary asset [nominal amounts] and released to income over the expected useful life of the asset, based on the pattern of consumption of the benefits of the underlying asset by equal annual instalments.

- i) Grants for restricted purposes and for specified funded projects are recognised when received and spent on qualifying activities. Any unutilised grants are recognised as deferred income and any excess expenditure over income is recorded as grants receivable at year end where there is commitment of additional funds from grant providers to cover such expenditure.
- ii) Grants received for consumables where there is no future performance obligation are recognised on receipt of the goods in the store. Grants received for goods for onward delivery to consumers or other third parties are recognised on delivery of the items.
- iii) **Project contract commitments** - grants from project commitments are recognised to the extent of utilisation of the funds disbursed on qualifying activities. Any unutilised grants by the project partners are recognised as project advances and any excess expenditure over income incurred by the project partner is recorded as project payable at year end where there is commitment of additional funds from grant providers or reimbursement of costs.
- iv) All other donations are accounted for on a cash receipt basis unless there are committed funds or pledged funds that are receivable.
- v) Interest income is accrued by reference to time under the effective interest method.
- vi) Other income is recognised upon performance of the services rendered.

(j) Property and equipment

All property and equipment is initially recorded at cost and thereafter stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost comprises expenditure initially incurred to bring the asset to its location and condition ready for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the organisation and the cost can be reliably measured. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the statement of income and expenditure during the financial period in which they are incurred.

Depreciation is calculated on reducing balance basis/straight line method to write down the cost of each asset, to its residual value over its estimated useful life using the following annual rates:

	Rate
Furniture and fittings	12.5%
Office equipment	12.5%
Computer & equipment	30%

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The assets' residual values, useful lives and methods of depreciation are reviewed, and adjusted prospectively if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposal of property and equipment are determined by comparing the proceeds with the carrying amount and are taken into account in determining operating surplus/(deficit).

(k) Cash and cash equivalents

For the purposes of cash flow statements, cash and cash equivalents comprises bank balances.
