THEME: POSITIONING THE CHURCH FOR ACCELERATION AND EXPANSION

Dear AMA friends and partners,

Preamble

February has been a month of strategic engagement, joyful commissioning, and strengthened partnerships. Across dioceses and regions, we have seen God open doors for sustainable evangelism, leadership development, and discipleship.

1. Marsabit Diocese School Outreach (2nd–8th February 2026)

AMA team with school pupils from Marsabit as they engage in the school outreach.

A coordinated outreach was conducted across the **Diocese of Marsabit** in Marsabit County, covering **Isiolo, Marsabit, and Moyale** regions. In partnership with **Kenya Youth for Christ** and with strong support from **Bishop Qampicha** and the **Diocesan Education Office**:

21 Schools were reached

2,911 Students were evangelized

251 Students made informed commitments to Christ

The Bishop described the Diocese as an “open window for evangelism” and expressed interest in long-term partnership. With 21 Anglican-sponsored schools, active chaplaincy structures, and predominantly Anglican teachers, Marsabit presents a strategic opportunity for sustained youth discipleship.

2. Cadet Training Follow-Up Meeting – 7th February

On 7th February, cadet training participants gathered at St. Peter's Parish (Embakasi) for a review and planning meeting.

The session focused on:

- Reviewing practical ministry engagements undertaken since the training
- Sharing testimonies and ministry experiences
- Planning the next phase of training
- Organizing a celebration to mark the completion of the first training cohort

It was encouraging to see the cadets actively applying what they have learned in real ministry contexts. The planned celebration will mark an important milestone in leadership development.

3. Commissioning of Jenipher (Jenny) Travis – 14th February

On 14th February, we joyfully celebrated the commissioning of Jenipher (Jenny) Travis from the UK as an Evangelist, now attached to the **ACK Diocese of Malindi** in Malindi, Kenya.

Jenny serves with Holding Hands, supporting vulnerable children within the Diocese. She becomes our second international missionary partnering with AMA, following **Canon Patrick Jehl**.

Her commissioning was a powerful reminder of Isaiah 6:8: “Here I am, send me.”

4. Maseno South Diocese Partnership Meeting

A successful meeting was held with leaders from the Diocese of Maseno South to explore collaboration in schools ministry.

AMA school Outreach director Rev. with Mr. Edwin Oloo ES and Rev. Samuel Okoth, Finance and Planning.

The Diocese of Maseno South has:

87 Sponsored Schools and **30** Active School Chaplains.

Key **areas of partnership** include:

- Chaplains and Christian teachers training
- Evangelism in schools
- Peer-to-peer young Christian leaders training

We were also invited to their Annual Schools Thanksgiving Celebration on 14th March 2026.

5. Nyanza Region Music Directors Summit – Kisumu

Music coordinators and directors from across the Nyanza region met at St. Stephen’s Old Cathedral in Kisumu on 13th February 2026.

14 participants engaged in discussions centered on capacity building and regional collaboration. A **regional workshop and festival** has been scheduled for **17th–21st August 2026**.

6. Partnership Meeting – Bible Society of Kenya

Our Missions & Partnerships Director, Rev. Capt. Joel Soti, met with the team at the headquarters of **Bible Society of Kenya** along Lang’ata Road.

The discussions explored promising opportunities for collaboration across local and international mission programs.

7. Diocese of Makueni – DGS Formation Leaders Training (25th Feb – 1st March)

The Diocese of Makueni hosted a DGS Formation Leaders Training with **33 participants**, including clergy, evangelists, lay readers, and Sunday school teachers.

The training covered pre-birth and after-birth formation frameworks and Level One (ages 3–6 years). The Diocese looks forward to rolling out the DGS program and hosting further training in April.

Closing Reflection

February has been a month of open doors — from Northern Kenya to coastal and western regions, from schools to worship leaders, from new missionaries to emerging leaders.

We remain grateful for your prayers and partnership as we continue equipping the Church and advancing the Gospel across Africa.
