THEME: POSITIONING THE CHURCH FOR ACCELERATION AND EXPANSION

Dear AMA friends and partners,

Preamble

With grateful hearts, we step into the new year reflecting on God's faithfulness and the fresh grace He has poured out upon Anglican Missions Africa. January has been a sacred beginning — a season of prayerful planning, strengthened fellowship, and renewed commitment to the Great Commission.

As we moved across dioceses, met with church leaders, engaged partners in ministry and education, we were reminded that it is the Lord Himself who leads His mission. We have seen Him knit hearts together, open new doors for service, and raise up workers for His harvest. Each gathering, conversation, and act of collaboration has been a testimony that God is at work — building His Church, equipping His people, and extending His Kingdom.

We give thanks for the unity of the Body of Christ and look ahead with faith, trusting that the One who has begun this good work will carry it to completion.

1. Church Music Renewal Program: Music Directors Workshop – Voi | 24th January

Vibrant music echoed across the coast as Rev. Philip Huru, Church Music Renewal Coordinator at AMA, met with 17 Music Directors from the Coastal region in Voi.

The workshop focused on promoting quality, spiritually grounded church music in local congregations—strengthening worship as a powerful tool for discipleship and congregational

growth. The gathering offered a valuable space for encouragement, skills development, and unity among church music leaders serving across the region.

Special appreciation to the Coastal region Bishops whose support made this impactful workshop possible.

2. Malindi Partnership Meetings | 28th–31st January

Bishop Reuben Katite, Canon Reuben Kirimo, Jenny Travis and Rev. Capt. Soti at Malindi Diocese.

A deeply encouraging time of fellowship and planning took place in Malindi as Rev. Capt. Joel Soti, Missions & Partnerships Director, held meetings at the Malindi Diocesan Office with Bishop Reuben Katite, Canon Reuben Kirimo, and Jenny, our mission partner.

The Diocese officially endorsed Jeenny to serve as an evangelist as she prepares to be made a deacon later this year. She was joyfully welcomed to serve as a missionary with AMA and will be attached to Gedi Parish Church. Her commissioning is scheduled for 14th February 2026 during the ordination service.

Together with the management of Holding Hands Africa, Gedi Academy, and their sponsored students, key education partnerships were explored. An immediate priority is ensuring that all 16 teachers from Gedi Academy, along with teachers from St. James and other partner schools, receive Educating For Life training(EFL), with Jenny helping spearhead the planning process. A major highlight was witnessing the completed library and office block at Gedi Academy, made

possible through Jenny's connection with Holding Hands Africa — a significant step in improving the learning environment for students.

3. ACK Nairobi Diocese Partnership Meeting

AMA also held a partnership meeting with leaders from the ACK Diocese of Nairobi, Ven. Simon Oriedo and Ven. Maurice Omondi, strengthening relationships and exploring areas of deeper collaboration in mission, capacity building and ministry development.

These conversations continue to shape shared efforts in advancing the Gospel and building sustainable church initiatives within the Diocese.

Closing Reflection

As we look back on the month of January, we are reminded that mission is not driven by plans alone, but by the Spirit of God who goes before us. Every workshop held, every partnership strengthened, and every servant commissioned is part of His greater story — drawing people to Christ and strengthening His Church.

We are encouraged by the words of Isaiah 6:8, "Here am I. Send me!" This remains the heartbeat of Anglican Missions Africa: willing hearts, surrendered lives, and faithful obedience to God's call — whether in worship, leadership, education, or evangelism.

May the Lord continue to guide every step, provide for every need, and empower every worker in the harvest field. As we move forward into the months ahead, we do so in faith, trusting that the seeds planted will bear lasting fruit for His glory. Let us remain steadfast in prayer, united in purpose, and joyful in service — for the mission belongs to the Lord.
